Project Templates

The screenshot displays a project management application. The main view is a task list for a project titled 'Installation for Adventure Works'. The task list includes columns for Task Name, Assigned to, Duration, Start, Finish, and % Complete. A callout box labeled 'Customizable task details view' points to the task list. A side panel titled 'Market research' is open, showing a detailed view of a task. This panel includes tabs for Plan, Checklist, Dependencies, and Timeline. The Plan tab is active, showing fields for Priority (Medium), Bucket (Started), Sprint (Backlog), Start (4/1/2025), Finish (4/2/2025), Duration (days) (1), % complete (100), Schedule variance (hours) (0), Estimated effort (hours) (8), Completed (hours) (0), Remaining (hours) (8), EAC (hours) (8), and Task Complexity (Difficult). At the bottom of the side panel, there are buttons for 'Add and continue' and 'Cancel'.

Time Tracking Calendar

The screenshot displays the 'Approvals' section of the Dynamics 365 Project Operations interface. The left sidebar shows navigation options like Home, Recent, Pinned, My work, Dashboards, Time entries, Expenses, Material usage, Approvals, Approvals Agent (P...), Projects, Schedule board, Resource utilization, Resources, Contract workers, Roles, Project reports, Purchasing, Vendors, Purchase price lists, Subcontracts, Contracted resource..., Materials on order, Subcontract milestones, Vendor invoices, and Projects. The main area shows a table of time entries with columns for Grouping, Project, Task, NTE status, Resource, Billing type, and weekly hours from Mon 3/31 to Sun 4/5, plus a Total column. The table is filtered to show 'Time entries (5,100)'. The table data is as follows:
